

Final Portfolio	Value	LEGENDARY (120)	PROFICIENT (100)	INSUFFICIENT (80)
Contents	Required (Penalties)	All Portfolio contents are present and turned in on time. All materials are clearly labelled. [Full points possible.]	All Portfolio components are included, but in the incorrect location or Peter has to contact you for access. [-10%.]	Some Portfolio contents are missing. Or, Portfolio contents turned in past the deadline. [-20% per day late.]
A Hero's Wisdom Reflection Letter	1000 NAPS	Reflection letter thoughtfully explores your own transformation as a writer/designer over the course of the semester. It contextualizes the results and decisions from your D.I.E. and Final Draft.	Reflection letter reflects on the semester but doesn't focus enough on your transformation as a writer/designer. Or, it neglects to contextualize your choices for revision and the D.I.E.	Reflection letter generally neglects to address your transformation as a writer/designer over the course of this semester or is entirely unrelated to the course.
A Hero's Power Revised Project	1000 NAPS	The Revised Project earns its score on the Project Rubric +20% for successful engagement with the revision plan—demonstrating at least one significant revision	The Revised Project earns its score on the Project Rubric +10% for attempting engagement with the revision plan. Revision either lacks attention to large-scale issues or is less successful than intended.	The Revised Project earns its score on the Project Rubric +0% for failing to attempt engagement with the revision plan, or revision is weakly attempted.
A Hero's Courage Digital Interactive Experience	1000 NAPS	The D.I.E. meets the purpose and the genre conventions identified in the proposal and GDD. It makes use of its new medium. An appropriate level of professionalism and care has been attempted and is either successful or explained sufficiently in the Heads-Up.	The D.I.E. attempts to meet the purpose and the genre conventions identified in the proposal and GDD—perhaps with minor lapses in effectiveness. Successful use of medium or appropriate levels of professionalism may be lacking slightly.	One or more following issues: D.I.E. fails to meet the purpose identified in the proposal or meet the conventions of the genre identified in the proposal. The D.I.E. grievously lacks appropriate levels of professionalism that are unexplained in the reflection letter. Or, project is inexplicably incomplete.
Site Quality Bonuses Available for WordPress site.	Bonuses & Penalties	WordPress site is well-organized, and aesthetically pleasing and consistent. The site as a whole says something about the author and is inviting to the audience. [+150 bonus NAPS]	WordPress site is well-organized, and, <i>generally</i> pleasant aesthetically.
