

3. “THE TEST IS OVER NOW. YOU WIN.”

QUEST 3
WORLD 4

Quest Objectives:

1. **Have someone** (this can be a friend, family member, or anyone outside your team) **playtest your D.I.E. game**. It’s fine if you have to do this over Discord or a video app. While they do choose at least one of the following questions and take careful notes about it:

- Where do they hesitate in making decisions?
- Did they read everything?
- Were there parts that seemed to make them uncomfortable?
- What were their reactions to particular decisions?

2. **Write a short post** (300ish words) describing the experience of watching someone play your game. What was it like? What stressed you out? What surprised you? Is there an interaction you plan to rethink now?
