

1. THE BACKSTORY

Quest Objectives:

1. **Draw** (either digitally, or by hand) a portrait of your ‘investigator.’ This investigator is you as you see yourself having completed the quest that you described in your Call to Adventure. Make it reflect something true about yourself and what you want to accomplish in this class.
2. **Show** your new crew members your ‘avatar’ and post the image on your Mission Log (either as a profile image, or as a post).

*Completing this Side Quest earns you
25 NAPS.*
