

WORLD EVENT QUEST

1. EVERYONE AT THE TABLE

WORLD 1

**AVAILABLE
UNTIL 9/21**

Quest Objectives:

Meet with your crew members outside of class time and play a game together. This can be a board game, video game, or any other form of joint-social-entertainment. This can be before or after a different kind of meeting, but it does not have to be.

Once done, have your Archivist (or other member if you have no Archivist), send a memo to the GM saying that the quest has been completed.

Note: World Event Quests are not like regular quests. They have a limited timeframe, and usually involve going somewhere/doing something **in the real world**. They are not affiliated with other questlines. Because of this, they are often **worth more**, and they grant NAPS *on top of* the 7500 available.

Completing this World Event Quest earns everyone in your crew who participates **50 NAPS**.
