

FINAL BOSS | THE HALL OF HEROES

A HERO'S WISDOM: RE-FLECTION

REFLECTION LETTER: 500-700 WORDS | 1000 NAPS

The Reflection Letter invites you to document and reflect on your personal development over the course of the semester in this class. The audience for this is you, myself, and your party members. The goal of this essay will not be to rave/rant about the course, but to look directly at you and your own writing. You will read your “Call to Adventure” and write one of the following:

1. An updated “Call to Adventure” post that reflects on your adventures over the course of the semester.
2. A letter to yourself, back in time.
3. A letter to me (however you want to format it).

Regardless of the format you choose, this letter should detail where and how you’ve changed as a writer that uses evidence and artifacts from throughout the semester. You will then update your “About Me” page with this letter (either by adding it to the existing post, or updating the post). The evidence you will use might include:

- Your own writing from previous drafts and current drafts.
- My feedback, in writing or in conferences as well as peer feedback.
- Materials from Daily Encounters, Side Quests, Main Quests, and class-based materials.
- Your Research Blog entries.
