

3. HAPTIC FEEDBACK

QUEST 3
WORLD 4

Quest Objectives:

For this quest, you will (individually or collaboratively) **reach out to a professional or public audience** regarding your research or game project. Examples might include:

- Writing to [thank / ask questions about / inform about your subject] to:
 - A campus dean
 - A game development studio relevant to your subject
 - An administrator or professional in your field
 - Another researcher
- Calling, writing, or emailing a local representative.
- Putting up a flier (with permission) in a campus building.
- Giving a short talk at a club meeting.
- Posting your D.I.E. to your personal followers on social media and following up with a contextual thread.

You will decide. The point is, you are going to **share your discoveries with the public in some way, shape or form**. The goal will be to **inform, discuss, or advocate**.

When you have your thoughts gathered, **propose, via email, your idea to the GM.**
I will give you feedback and instructions on what to do from there.

*Completing this Side Quest earns you
125 NAPS and a Collaboration Badge.*
